Short Description

A pressure die-cast pair of fairleads

Pressure die cast brass fairleads. Supplied in brass and chrome plated brass finish, complete with stud fixings and nuts. Sold in a left and right handed pair

This product is pressure die cast by Foresti & Suardi in Italy and is available in natural unlacquered brass or chrome plated brass. Foresti & Suardi have been manufacturing pressure die cast brass marine hardware since 1961. Fittings such as this are amongst the core products manufactured since those early days. The tooling may have been updated, and technology has moved on a great deal, but these are the heritage pieces that established the reputation of Foresti & Suardi, as well as Timage, in the global yacht accessories market.
