Short Description

Ladder security hinge with hook support

This ladder security hinge with hook support provides enhanced safety and security for your ladder. Crafted from durable die-cast brass, it comes in two finishes: polished brass or chrome plated. The hinge also features a snap-in safety mechanism that locks the ladder in place for added stability and peace of mind. Manufactured in Italy by Foresti & Suardi, this high-quality product ensures reliable performance and long-lasting durability.

- Ladder security hinge with hook support
- Made from die-cast brass
- Available in polished brass or chrome plated finishes
- Features a snap-in safety to lock the ladder
- Made in Italy by Foresti & Suardi
