## Short Description

# Round fixed porhole made from solid brass, available in a polished brass and a chrome plated finish

This round fixed porthole is a stylish and durable option for your marine vessel, made from solid brass and available in either a polished brass or chrome plated finish. This non-opening model is CE marked, RINA approved, and conforms to ISO 12216, ensuring it meets high standards of quality and performance. Supplied with 6mm clear Plexiglass as standard, it offers excellent visibility. Additionally, decorative glass options are available upon request, with a minimum order quantity.
