Short Description

Rectangular opening porthole with a solid brass construction, available in a polished brass or chrome plated finish

This rectangular opening porthole is crafted from solid brass and is available in a choice of polished brass or chrome plated finishes. Ideal for enhancing both the functionality and aesthetics of your vessel, it is CE marked, RINA approved, and conforms to ISO 12216 for guaranteed quality and safety. Supplied with 6mm clear plexiglass as standard, it can also be supplied with glass for decorative purposes upon request (minimum order quantity may apply). Made in Italy by Foresti & Suardi, this porthole combines durability with timeless design.
