Short Description

Iconic stainless steel 'Gem' cleat by Christian Grande

The 9300 'Gem' cleat is an iconic piece of deck hardware, designed by renowned yacht designer Christian Grande in collaboration with Foresti & Suardi. Its versatile design complements any style of boat, whether you have a classic, rounded vessel or a modern, angular one.

Cast from 316-grade stainless steel, this cleat features stud fixings and is available in five sizes. A [matching retractable](#) version is also available, offering an ideal pairing.

Key Features:

- Cast from high-quality 316-grade stainless steel for durability
- Versatile design suitable for both traditional and contemporary boats
- Available in five sizes with a [matching retractable](#) version
