£30.00

Excl. Tax: £25.00

Product Images

Short Description

This thermometer and hygrometer, housed in polished lacquered brass, offers both style and functionality. It displays temperature in both Celsius and Fahrenheit, and humidity as a percentage, making it a versatile tool for monitoring your environment. Manufactured by Altitude, this elegant instrument is now priced to clear as it has been discontinued.

Key Features:

- Thermometer and hygrometer in one

- Polished lacquered brass housing
- Temperature displayed in Celsius and Fahrenheit
- Humidity displayed as a percentage
- Brand: Altitude
- Priced to clear as discontinued
