Short Description

VetroFreddo® sink available in a number of different colours.

The *Nautilus* sink is a compact countertop sink in the *Nautilus* family of products. The distinctive softened square form fits well in a variety of interior schemes and this same shape can be found across the entire *Nautilus* product collection. Other *Nautilus* products can be found in the related product section below.

This countertop sink is made from VetroFreddo®. VetroFreddo® is an innovative material composed of glass pigments and resin. Some colours such as cognac have a striking translucence, offering an unusual depth to the finish and softness to the touch.

Sink waste is not included but can be purchased separately.
