Short Description

A marine-grade waterproof spotlight with a stainless steel bezel. The Sagittarius spotlight is a very slim design which enables it to be used in a wide variety of locations. This particular model is surface mounted and only requires a hole for the power cable. The fitting illuminates with an effective halo effect thanks to the transparent luminaire body design.

- LED spotlight with a white output of either 3200°K or 4000°K
- 10-30Vdc multivoltage input
- Surface mounted design
- Screw fitting (screws not included)
- 316 grade stainless steel bezel

Description
