Short Description

The Orion family of exterior-grade luminaires make an impact in any exterior lighting plan. The all-stainless steel body with visible hex head fixings suggests immediately the marine-grade quality of these fittings. The shadow gap surrounding the lens of the fitting adds further to the luminaire's effect by creating a subtle halo lighting effect when illuminated.

- 316 marine-grade stainless steel body with polycarbonate lens
- Visible hex head fixings (supplied)
- Power LED module in 3200°K or 4000°K
- IP67 ingress protection and suitable for installation in wet areas
- Slim 13mm fitting ensures it can used in a wide range of locations

Description
