## Product Images

## Short Description

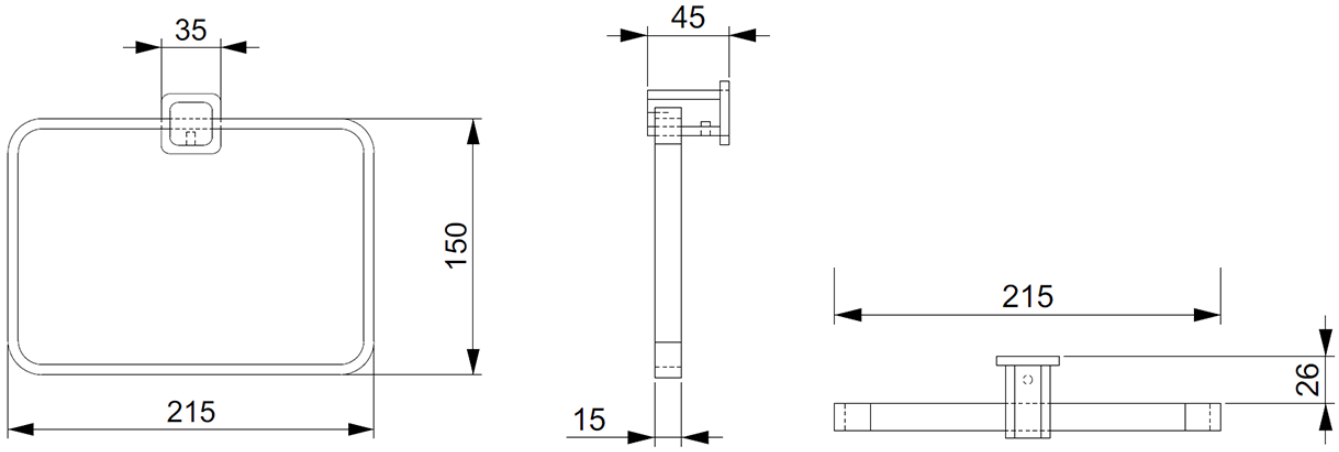

### Solid brass, chrome plated, towel ring with concealed fixings

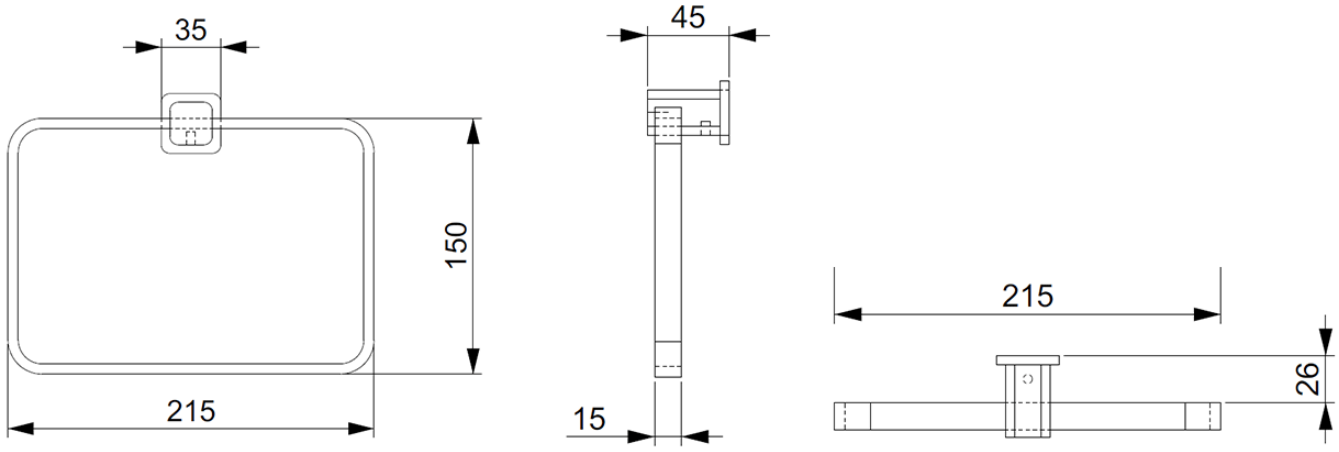

Add a touch of sophistication to your bathroom with this elegant towel ring, crafted from solid brass and finished with a sleek chrome plating. Designed for easy installation, the towel ring features hidden fixings, ensuring a clean and seamless look. The bracket is discreetly mounted to the wall, with the ring secured via a grub screw for extra stability. Its softened square form makes it a versatile choice, easily complementing a variety of bathroom styles.

- Elegant towel ring made from solid brass

- Chrome plated finish for durability and shine
- Hidden fixings for a sleek, clean installation
- Ring secured with a grub screw for added stability
- Softened square form suits a range of bathroom designs
- Includes all necessary fixings for easy installation
