Short Description

Regulus is a waterproof spotlight for tube mounted installation. Originally conceived for use on bimini tubes, Regulus is suitable for any installation on to tubes up to Ø40mm.

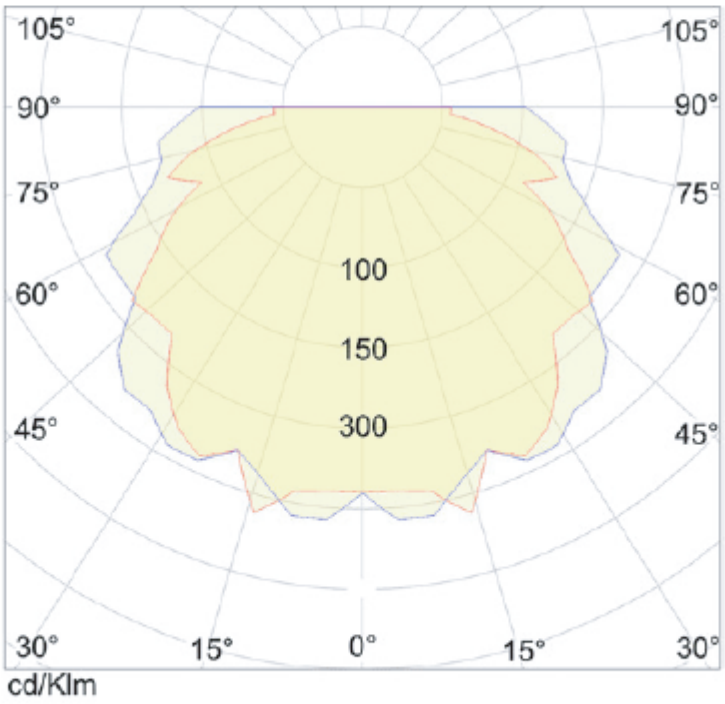

With a flexible housing made from silicone and a softened edge shape, Regulus forms perfectly around the tube to offer a snug fit and reduce the chance of any lines snagging. Power must be delivered to the fitting from inside the tube and the whole luminaire is secured in place with two screws.

- Silicone housing menas that the fitting can be used on tubes from Ø22mm - Ø40mm
- IP67 rated product can withstand the harsh environment
- Power LED module in 3200°K or 4000°K
