Short Description

Stainless steel masthead navigation light by Forcato

This 316-grade polished stainless steel masthead navigation light is designed for durability and reliability, ensuring optimal visibility for your vessel. Supplied with a bulb, it offers a 225° lens and a visibility range of 3 nautical miles, making it perfect for motor craft up to 20m in length. Operating at 24VDC and 25W, this light is IP67 rated for water and dust resistance.

Fully compliant with COLREGS 1972 ed. 2003, it meets the highest maritime safety standards. Made in Italy by Forcato, this high-quality masthead light is priced to clear as a non-stocked product.
