Short Description

50ft extension cable for PMX remote controllers

The PMX50C is a 50-foot extension cable designed specifically for use with the PMX-1R and PMX-0R wired remote controllers. Ideal for larger installations where extra reach is required, this high-quality cable ensures reliable connectivity between your remote controller and PMX source unit, allowing for flexible placement without compromising performance.

- 50-foot extension cable for extended installation flexibility
- Compatible with PMX-1R and PMX-0R remote controllers
- Designed for reliable signal transmission and secure connection
- Perfect for larger marine or motorsport audio setups
- Backed by a 2-year warranty for peace of mind
