Short Description

This elegant pair of solid brass door handles features a sleek chrome-plated finish, complete with matching roses and spindle. Designed for both style and practicality, they offer a refined look with concealed fixings and a self-righting mechanism for ease of use. Offered at a clearance price due to factory discontinuation.

- Suitable for doors up to 42mm thick
- Nylon spring-loaded securing rose for self-righting
- Concealed fixings for a clean finish
- Chromed brass finish
- Clearance item – discontinued by manufacturer
