Short Description

The Galatea spotlight packs a huge amount of technology into a very compact form. The Nichia™ LED chip produces a very high quality LED output with an average colour rendering index of 95. The spotlight is waterproof from both the front and rear and is available in various lens angles and colour temperatures. The extended bezel makes the fitting especially suitable for anti-glare applications.

- Interior & exterior spotlight
- Galvanised brass face, chrome plated
- Tempered glass lens
- Anodised aluminium heatsink
- Multiple lens angles available
- Available in numerous white colour temperatures as well as red
- CRI>90
