Short Description

Solid brass reading light with a chrome plated finish and integrated switch.

The *Nash Slim* is a discrete and elegant fitting with an incorporated switch on the head. The luminaire can be adjusted in terms of inclination and rotation making it an excellent choice for bedside use. The product is low voltage and is suitable for marine and architectural application. For mains voltage use, an LED driver is required which can be supplied separately.

- 2W Power LED
- Neutral 4000K white
- 10-30Vdc
- Push button switch on head of fitting
- Available with a red LED

Description

Nash Slim shares the same LED components and head design as *Nash T*. For this reason, the photometric data for *Nash T 7620* has been shown below as it is identical in performance.
