Short Description

The P232 Dragonfly is a double version of the popular P240 Dragonfly, and features a fixed backrest and flip-up bolster, it offers the flexibility for a stand-up steering position when needed. The P232 Dragonfly Double can be purchased on its own, or with a manual or electric slider.

This bench seat can be customised to a large extent, with a choice of upholstery materials including customer own supply. Other customisable features include embroidery details such as stitching pattern and inclusion of an embroidered logo as well as custom armrest solutions.

We encourage any prospective client to contact us to discuss their requirements so that we may be able to guide them through the purchase of this product and help select the options required.
