Short Description

Solid brass ceiling/wall light, with switch, in a chrome plated finish

This solid brass ceiling/wall light, with a chrome-plated finish, combines classic design and practicality. The frosted glass provides a soft, ambient glow, while the on/off switch on the edge allows for easy control. Suitable for 220v installations, it features an E14 bulb fitting (bulb not included, max 1 x 40 watt).

Made in Italy by Foresti & Suardi, this light is CE marked and IP20 rated, ensuring reliability and safety. Priced

to clear due to discontinuation, it offers exceptional value.
