Short Description

Stainless steel, 3-stage gas pedestal by Atep Italia

This ex-display manual, gas-assisted table pedestal is crafted from 316-grade, mirror-polished stainless steel, offering both durability and style. Featuring a round design with three adjustable stages, the pedestal has a minimum height of 325mm and a maximum height of 710mm. It incorporates a clamp design for easy locking, ensuring a secure and stable hold.

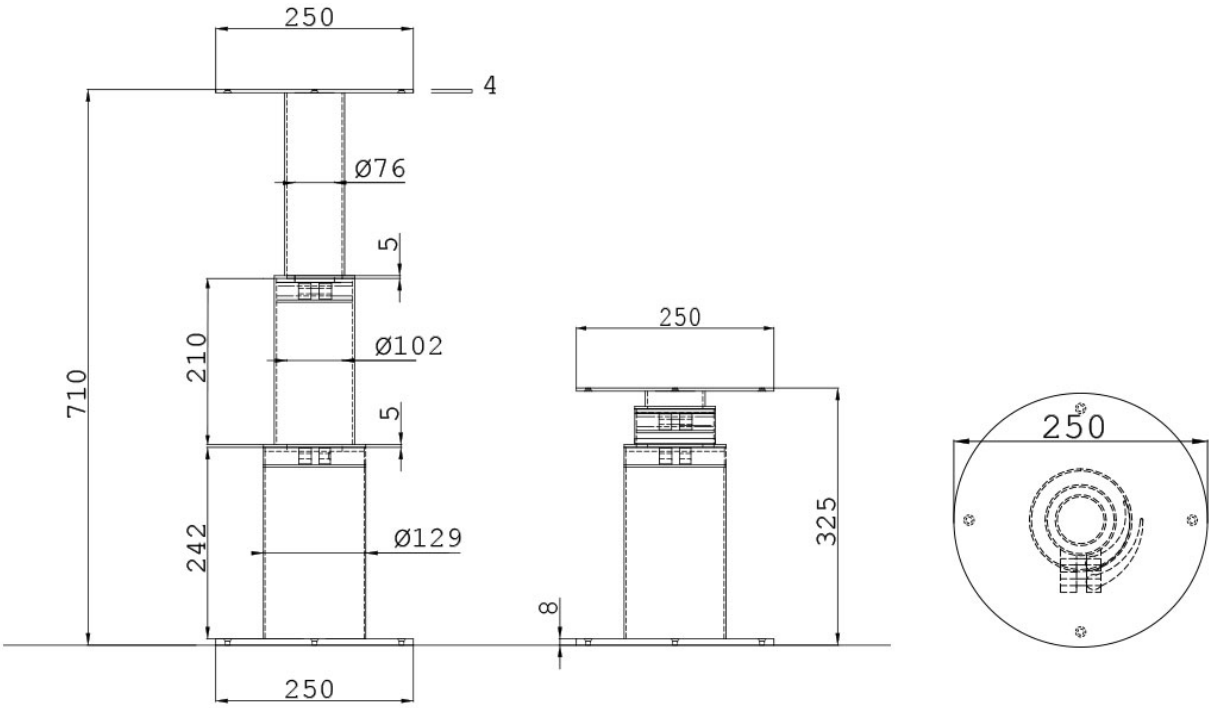

Manufactured in Italy by Atep Italia, it is designed for use with table tops up to 1200 x 900mm and has a

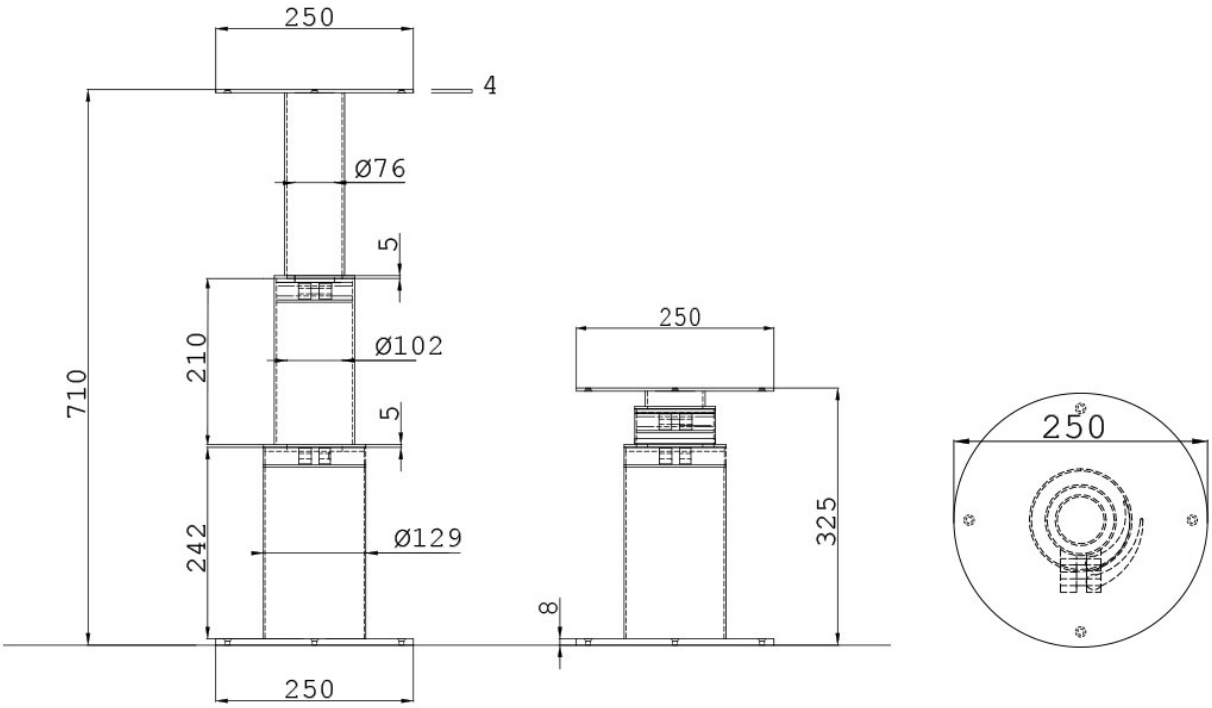

maximum lifting capacity of 30kg. Priced to clear as an ex-display model, it may have slight wear or marks to the finish.
