Short Description

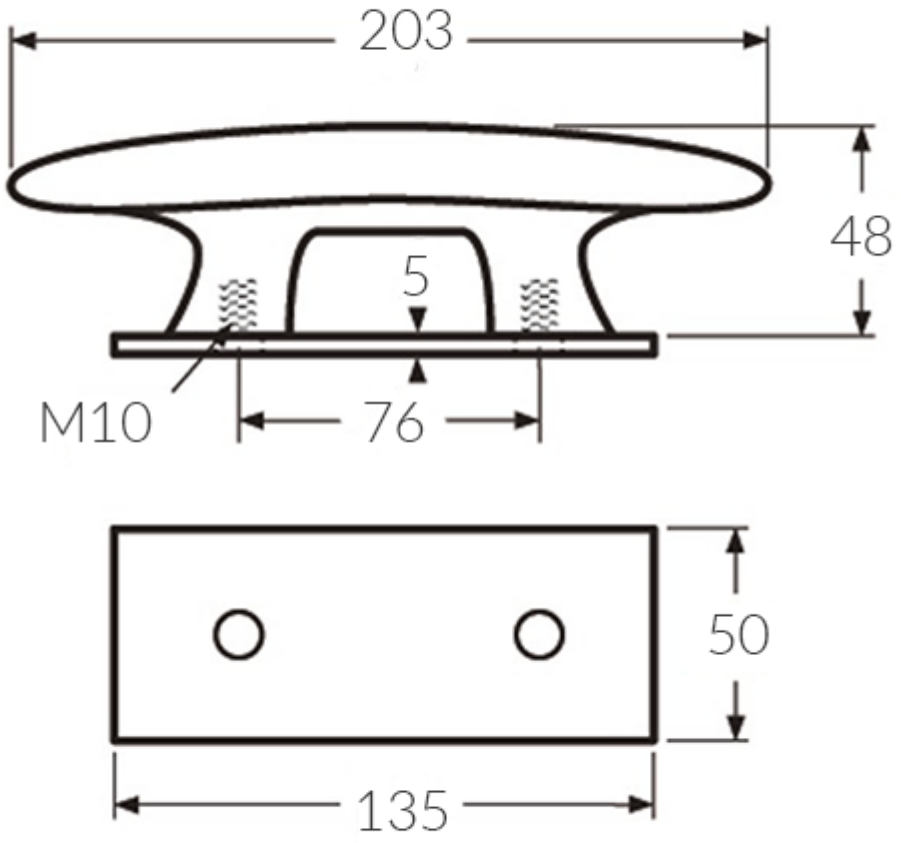

316-grade cleat with aluminium counter plate

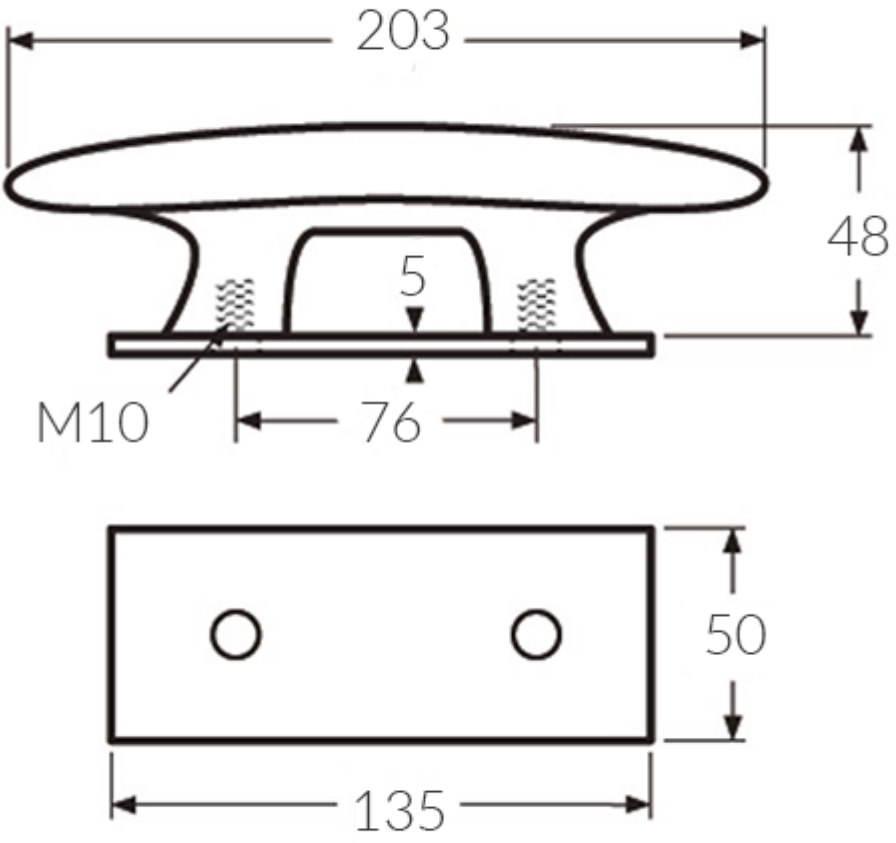

Introducing our durable cleat, crafted from 316-grade stainless steel for superior corrosion resistance and strength. This high-quality cleat is sold complete with an aluminum counter plate, ensuring a secure and stable installation. Available in three lengths—203mm, 254mm, and 305mm—this cleat is perfect for a variety of marine applications.

Its sleek design and robust construction make it an essential accessory for securing lines in any environment.
