Short Description

Our Deck Shower Kit comprises of an innovative hand shower and an industry leading fresh water pump. A perfect solution for open small craft or deck showers where cold water only is desired.

Flatwash Hand Shower (4197A00C)

- Pull-out hand shower for exterior use.
- Made from brass and chrome plated.
- Integrated flow regulator with a ceramic cartridge system ensuring long lasting performance.
- For installation on both vertical and horizontal surfaces.

UP2/E Variable Speed Electronic Fresh Water Pump (16466015)

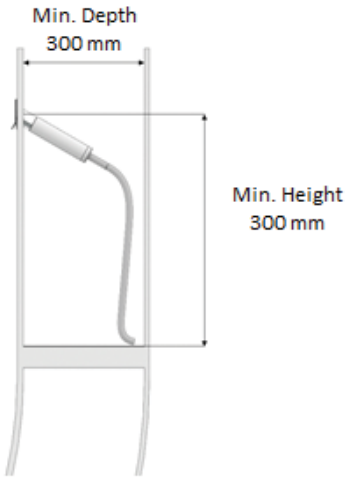

- Self-priming automatic electric pump with helical PTFE gears.
- Featuring Marco's Intelligent Brain ECU system, the pump can detect the constant pressure in the plumbing system and respond accordingly when the pressure drops.
- Patented flange eliminates condensation build-up in motor housing and extends motor life.
