## Short Description

### Mirror polished oval stainless steel hinges, handmade in Italy

Crafted from premium 316-grade stainless steel, these hinges are designed for both style and durability, offering a sleek, contemporary finish to any project.

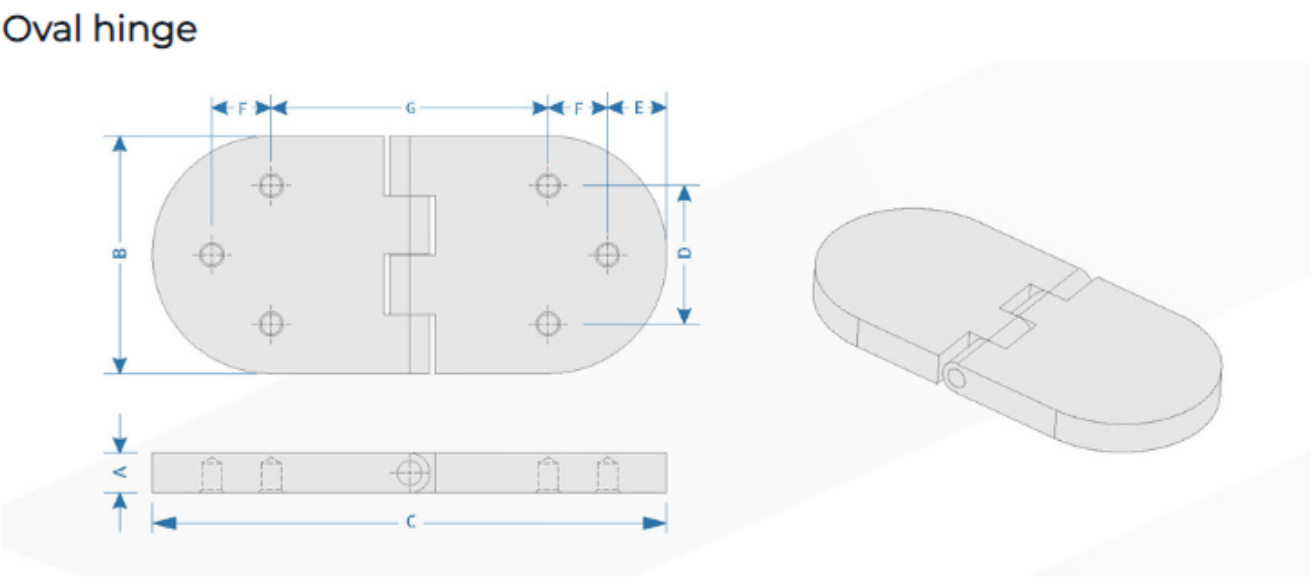

Each hinge is carefully handmade by Officine Mazzer srl in Italy, ensuring exceptional quality and precision. While the hinges feature surface imperfections due to the welding process, they are priced to clear, offering

incredible value without compromising on craftsmanship.

The hinges are secured with six M6 screws (not included), making installation straightforward. Perfect for anyone seeking a high-quality, unique hinge with a luxurious mirror-polished finish.
