Short Description

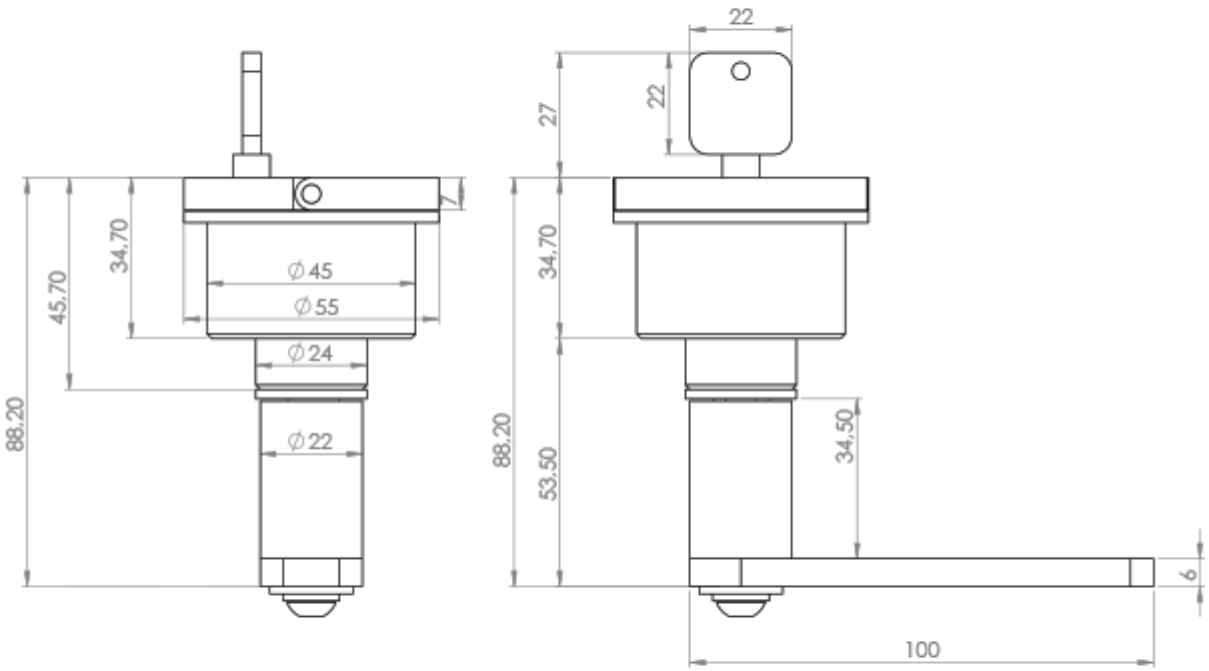

The *Select Series* pieces of deck hardware are the ultimate, zero compromise products. The fittings are manufactured entirely from 316-grade stainless steel, being machined from solid and not cast. The standard of polishing and general finish on this range of product is extremely high, as to be expected of any deck hardware on the world's finest superyachts, yachts and tenders.

The *EC117* is a lockable hatch lock. It is supplied with a mirror polished 316-grade stainless steel key.

This hatch lock is not currently a stock item and it is made to order. Please allow 10 weeks for delivery.
