Short Description

The 'Wall-Y' Folding Wall Mixer Tap is a sleek and practical addition to any washroom setup. Crafted from durable solid brass and finished with chrome plating, this wall-mounted mixer tap offers both style and functionality. It comes complete with a flexible 3/8' BSP female connector, ensuring compatibility with various plumbing setups.

Perfect for double bowl wash basins, its compact design allows the spout to be conveniently positioned flush against the wall, saving space while providing efficient water flow. Installation is hassle-free, requiring only a small recess, making it a convenient choice for any renovation or upgrade.

Please note that waste is not included with this product.
