Short Description

A solid brass, chrome plated, toilet roll holder.

This wall-mounted paper holder is a sleek, minimalist design. Made from solid brass, the holder has a chrome plated finish. This product is part of the Atlantis family of bathroom accessories which all share a common design language. Please view the related products section below to see the other items availavble in this collection.

The paper holder is fixed in place with 2 screws (included), cover caps are provided to hide the screw heads from view.
