Short Description

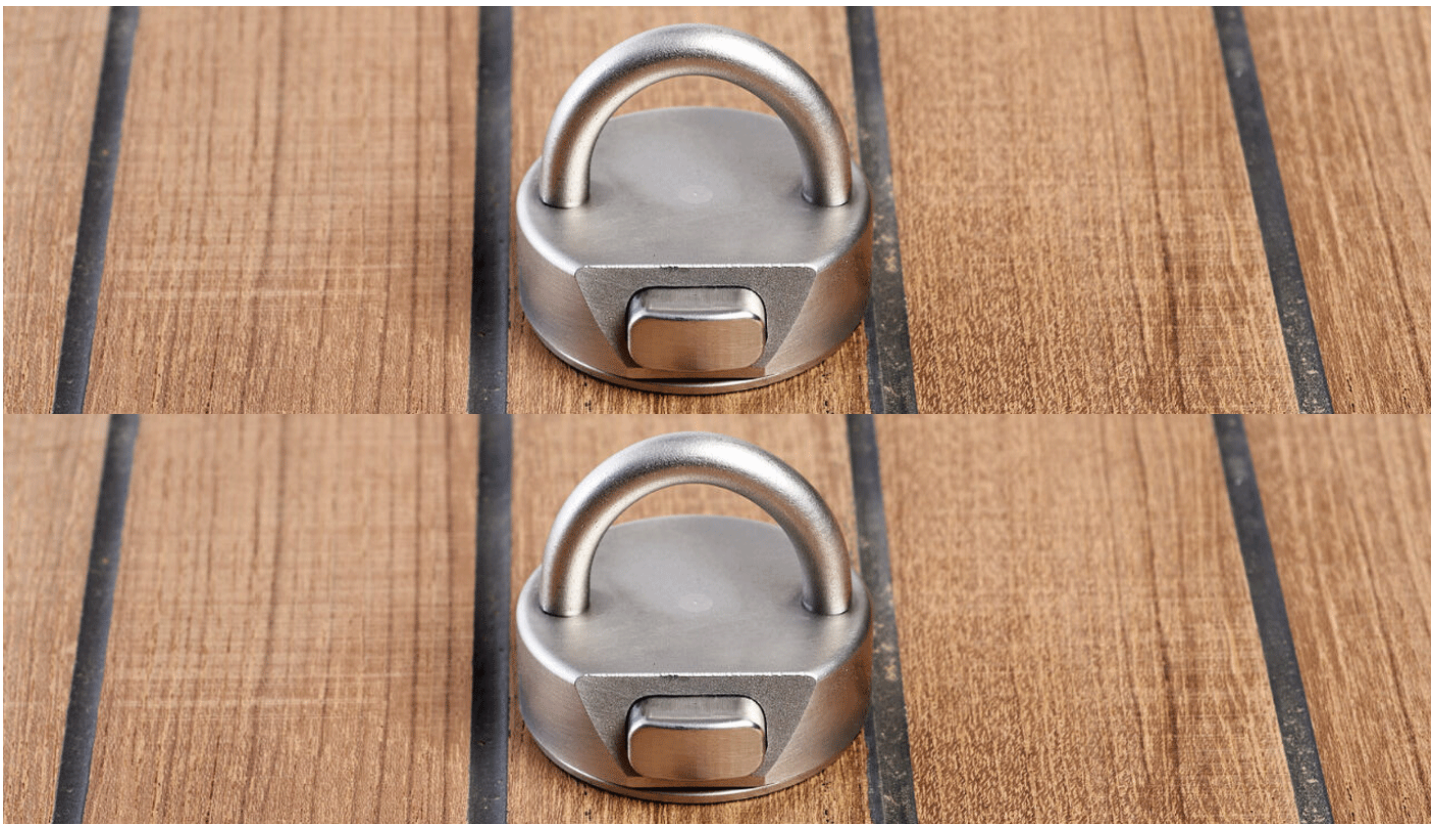

A stong, removable pad eye plug for use with Q32 sockets.

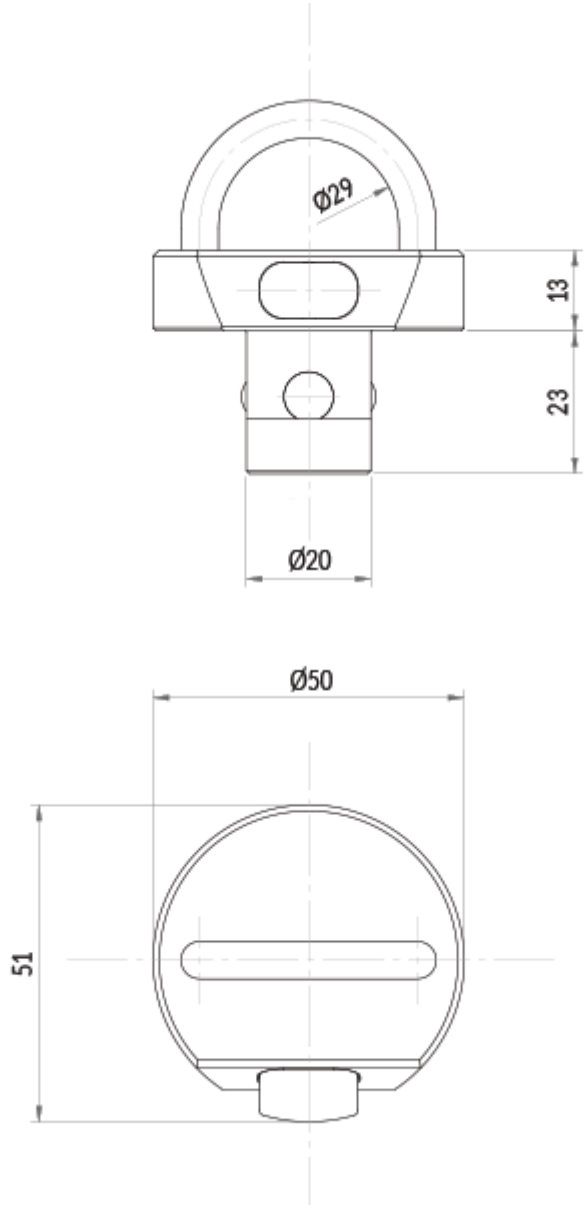

Our stainless steel *Quick Lock* pad eye is an excellent solution for simple and strong removable pad eyes. It is to be used in conjunction with the Q32 socket which is sold separately and can be found in the related products below.

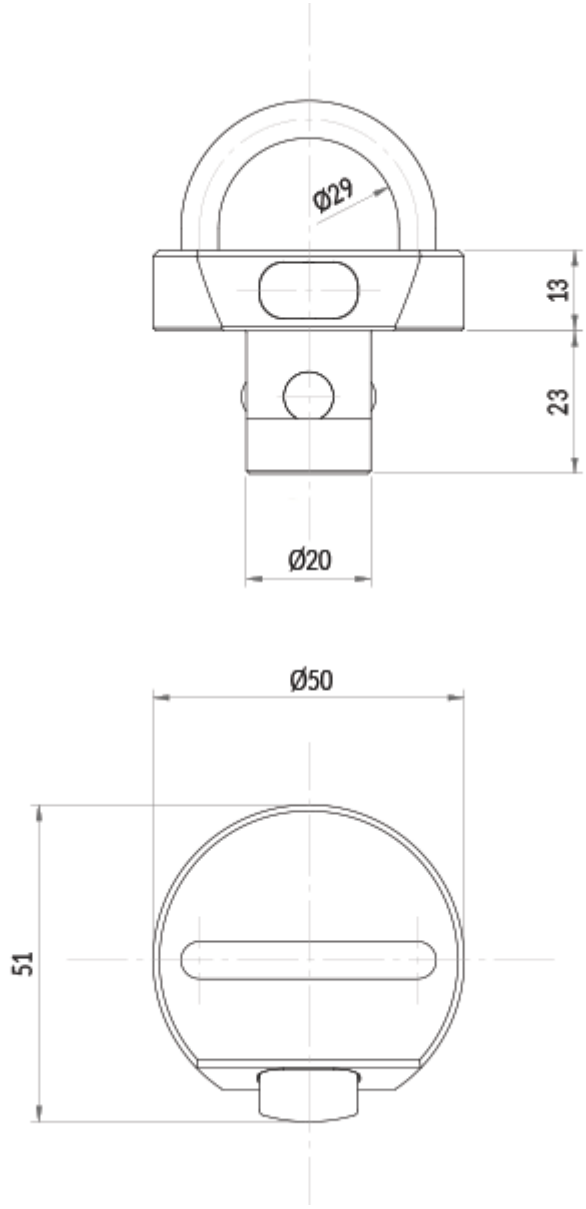

The pad eye is machined from 316-grade stainless steel and is supplied in a polished finish. On request, the product can be supplied in a satin stainless steel finish or machine from grade 5 titanium.

The Q32 pad eye has a working load of 1200daN.
