Short Description

Pressure die-cast brass lifting ring available in a polished brass or chrome plated finish

The Foresti & Suardi solid brass lifting ring is a timeless piece of marine hardware, crafted by the renowned manufacturer since 1961. A core product of their collection, it combines heritage craftsmanship with modern updates, ensuring both reliability and elegance.

Perfect for yacht owners seeking durable yet stylish fittings, this lifting ring remains a trusted choice in the global marine market.

- Manufactured by Foresti & Suardi, established in 196
- Available in polished natural brass or chrome-plated finish
- Simple to install with four countersunk screw holes (screws sold separately)
- Flush handle hinges up for easy use, ideal for opening lids or lockers
- Suitable for both interior and exterior applications
- Not intended for heavy-duty use
