Short Description

'T' shape mooring bollard available in a polished brass or chrome plated finish

This pressure die-cast brass mooring bollard features a ‘T’ shape, offering both strength and style for your boat or dock. Available in either a polished brass or chrome-plated finish, it combines durability with a traditional design.

The bollard has a base diameter of 65mm and a height of 60mm, making it a compact yet robust choice. Crafted in Italy by Foresti & Suardi, this bollard ensures high-quality performance and aesthetic appeal.
