Short Description

Trapezoid deck / escape hatch available in a polished brass or a chrome plated finish

This trapezoid deck hatch is a robust and versatile addition to your vessel, designed to serve as both a deck and escape hatch. Made from high-quality brass, it is available in a polished brass or chrome-plated finish to complement your boat's style. Featuring a 10mm tinted plexiglass cover, this hatch is both durable and secure. It also comes with an internal security locking handle for added safety. Glass is available on request (minimum order quantity may apply).

CE marked, RINA approved, and compliant with ISO 9094 and ISO 12216 standards, ensuring the highest safety and quality.
