# Triple Coat Hook - Brass

**£22.75**

Excl. Tax: **£18.96**

## Product Images

## Short Description

# Folding triple coat hook made from die-cast brass, available in polished brass or a chrome plated finish

This pressure die-cast brass triple coat hook combines functionality with design. Available in both polished brass and chrome-plated brass finishes, it offers flexibility and elegance. Each hook can be positioned independently, and the design allows them to be folded flat against the wall when not in use, preventing snagging on clothing.

The hook is mounted securely by four fixing points (fixings not supplied, but visit our stainless steel fixing page for options). Made in Italy by Foresti & Suardi, it delivers exceptional craftsmanship and durability.
