Short Description

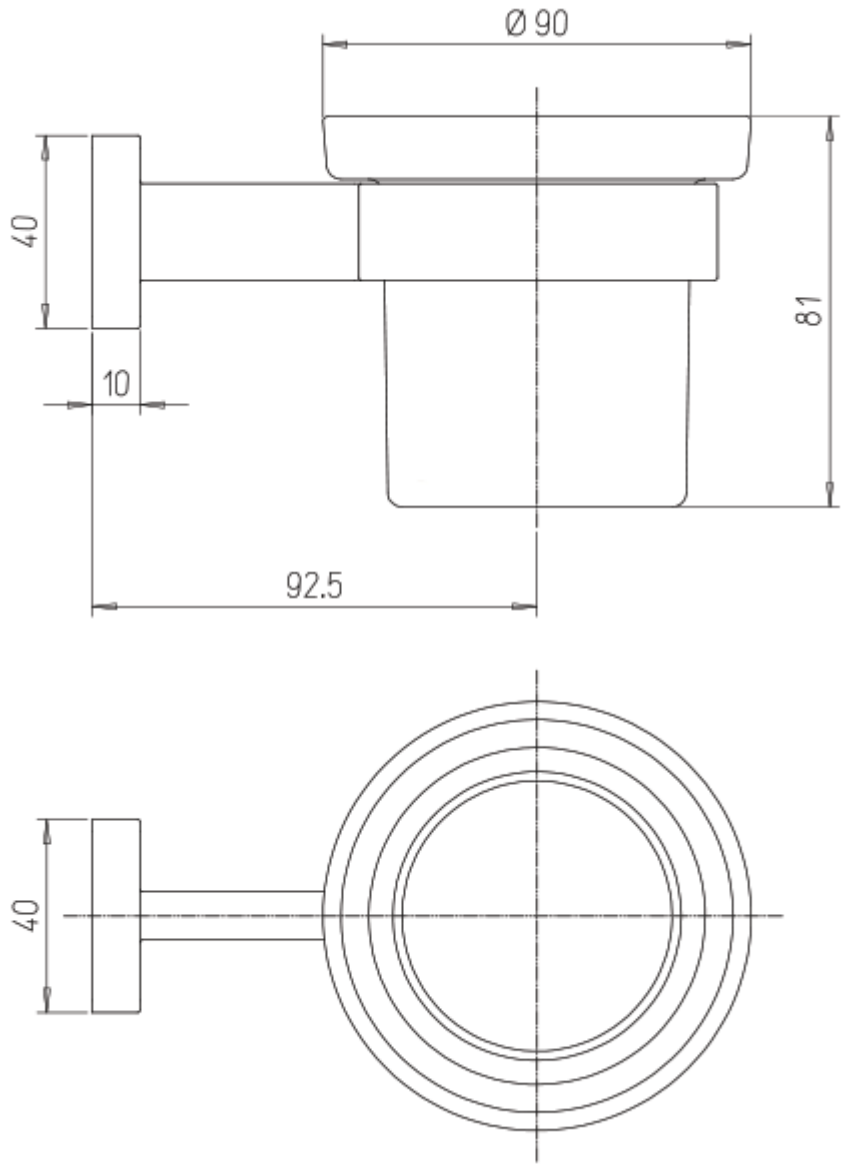

Chrome plated & frosted glass object holder.

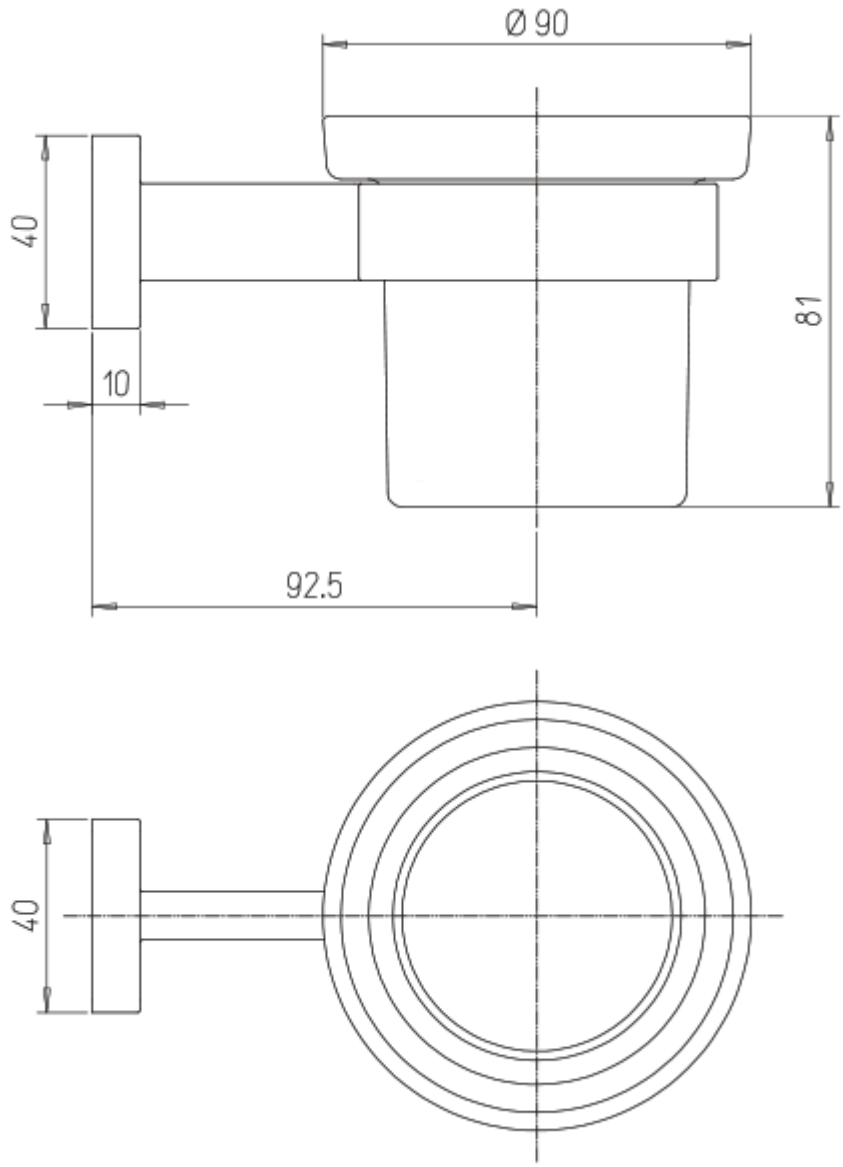

The *Dax* object holder is ideal for storing toothbrushes, razors and other loose objects and is made from solid brass. It is fastened to the the installation surface via a hidden fixing bracket. This neat design ensures that no screw heads or unsightly fixings are visible once installed. Fixings are supplied.

This product is part of the *Dax* family of bathroom accessories which all share a common design language. Please view the related products section below to see the other items availavble in this collection.
