Short Description

Pressure die cast brass deck filler with concealed cylinder lock and flip up handle.

- Available in either a polished brass or a chromed brass finish.
- Comes in 2 sizes as standard.

- Features the word fuel, water, diesel or waste engraved in lid.
- The lid is connected to the filler with an internal safety wire so that once opened it cannot be dropped over-board.
- Supplied with two keys.
- Additional lids can be purchased separately.

Images are not yet available for all variations of this product.

Please note, the lead times for the brass finish may differ, so please ring for current lead times if ordering brass.
