Short Description

Pressure die cast brass deck filler with winch handle socket.

- Available in either a polished brass or a chromed brass finish.
- Comes in 2 sizes as standard.
- Features the word fuel, water, diesel, or waste engraved in lid.
- The lid is connected to the filler with an internal safety wire so that once opened it cannot be dropped over-board.
- This product is operated using a winch handle (item number 511).
- Additional lids can be purchased separately.

Images are not yet available for all variations of this product.

Please note, winch handle not supplied but is available separately if needed.
